Chairman's Report

Welcome once again to what hopefully will be another memorable day. It is going to take some doing if we are to exceed last year's performance, which I personally think was the best since I became chairman.

With all the careful planning, it didn't look at 9.45 a.m. that we would have much to show in the morning, as both marching bands hadn't arrived, neither had the stiltwalker. Octavius steel band were nowhere to be seen either.

Then, as if a magic wand had been waved it all came together. Each band played whilst the judges, whom everyone involved commented about how they had passed their thoughtful comments to the decorated float organisers and their caring attitude towards the fancy dress children.

The theme being 'Countries of the world' certainly brought the best out of the twelve representatives of the floats. The standard was superb. Congratulations to each and everyone of you. Hopefully with that standard in mind it will act as a springboard for this year's theme 'TV programmes'. Anyone can enter a float, whether it is a group of friends, a street or organisation, you don't need to worry about finding trailers or lorries etc., we will do that for you.

As usual the parade set off led by the very smart Prince Edward Elmore and his beautiful Princess Kirsty Peacock.

With the generosity of past street collections we were able to provide extra street entertainment in the form of a stiltwalker and juggler and Dennis of Grunty Fen.

This year's parade will take a slightly different route. Instead of proceeding down to Church Lane and onto Newgate Street, it will start by going from the Three Tuns area onto New Street, down towards Primrose Hill. The idea of this is that people will be able to see the floats better, the ones that are parked alongside the Three Tuns.

The afternoon sports were opened by the Derby Midshipmen marching band. Once again we had an R.A.F. Spitfire flypast after the hilarious mums and dads race on the space hoppers. The presentations of the trophies were presented by the judges, followed by the grand draw which concluded the day.

It is very difficult to thank everyone in print that helped, so this year my special thanks go out to the one and only Alan Curtis for his expert race co-ordination and banter at the sports field. Also to Lyn Clark, Kay Naughton, Wendy Allen and Karen Mackenzie who work all afternoon keeping check of the sports proceedings and certificate writing. Thank you ladies, and everyone else who helps in anyway. But, most of all to the fourteen stalwart committee members! Without them the day would not take place.

- Alan Mason

- Next year's Carnival and Sports Day will be on Saturday, 2nd July, 2005.

LYN SEWELL It is with regret to report that Lyn Sewell, our secretary for the last 7 years, has decided to relinquish her post as secretary and come off the Committee after this year.

I would like to take the opportunity to thank Lyn for her dedication and enthusiasm towards the Carnival and Sports. She will be missed by the Committee and we wish her and her family well in their new home and future.

Secretary's Report

It is hard to believe that Carnival and Sports is nearly here and I know the Committee members have been working hard yet again to make this year's Carnival and Sports as enjoyable as last year's.

The theme for this year's Carnival is 'TV programmes' so if you have a group of friends and fancy putting a float in and taking part, get in touch and we will help you.

As always I would like to thank you all for your support, because without you Doddington Sports and Carnival would not continue.

So lets keep our fingers crossed and hope for good weather and a good time on the day.

Linda Sewell.

Treasurer's Report

At last year's carnival we enjoyed more bands than ever before together with street entertainers making it one of the best Doddington carnivals ever. Thank you to everybody who contributed and supported the event last year, because without the funds that we collect, it would be impossible to put on such an impressive and enjoyable display. Despite resulting in a small financial loss, largely as a consequence of the increased expenditure, last year's carnival was a resounding success. We would like the carnival and sports day to be for the benefit and enjoyment of the whole village, especially the children, and any suggestions for improvements would be gratefully received.

The carnival and sports day is a real asset to the village and we would like to continue to provide Doddington village with carnival days to remember and treasure for many years to come but this requires your financial assistance. Please help in any way that you can, whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

Judges

This year we welcome Kenny and Eileen Fisher and Alan and Helen Wright as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"What a job you gave us! Just judge thirteen floats and the fancy dress entrants, how do you start about picking winners? We can only reiterate the comments of last year's judges.

It was an honour to be asked to be the judges and also be asked to present the trophies at the end of the sports. The awarding of wallets at the end, to every child who had taken part in the sports, was we thought a nice gesture on your behalf.

We all thoroughly enjoyed ourselves and it was heartening to see in this day and age that both young and old turned out to support the carnival, who said community spirit is dead!

In closing we would like to wish the carnival of 2004 every success, and here's to all the future carnivals."
