Chairman's Report

Welcome to Doddington Carnival & Sports Day. This year's theme is Book Titles, being a good choice according to the response so far from everyone entering a decorated float. I'm hoping we will exceed the 13 brilliant ones we had last year. As usual anyone or group can enter, we can provide you with vehicles, drivers, etc. This year we welcome the Harmony Majorettes, the return of the Havana Boys Steel Band and the Melton Mowbray Toy Soldiers. We try to provide something different each year and this year I am particularly looking forward to seeing the Arcoiris Samba Band along with Kevin Turner and friends with their Harley Davidson motorbikes who I saw last year and I'm sure will make plenty of noise. All these will be led by Prince Kieran Turner and Princess Tamara Knott in the procession. The Toy Soldiers and the motorbikes will also be down the sports field in the afternoon.

Each year we decorate the village with bunting. Last year we asked people to put balloons up outside their houses which certainly helped to make everywhere colourful. This year we have a number of St. George and Union Jack flags measuring 3' x 5' and can be purchased at £5.00 each. If you would like one to help the village decorations further phone 07775 730460. Last year's parade was excellently marshalled by the traffic police whom we welcome and thank once again, obviously safety is paramount to all.

Down the field last year we were entertained and impressed by the local parachute club who literally dropped in. This year at the time of going to press, we are trying for something similar, if not a little different.

Lyn Clark decided to call it a day after several years of certificate writing and co-ordinating, which we thank her for.

Mark Sewell

Mark Sewell tragically died on 15th September last year. He was a past committee member for four seasons from 1997. Even though when he was not on the committee he took an active part in the carnival and sports, where his barbequing skills will be especially remembered.

Each year the Carnival & Sports Day seems to get gradually bigger and more people getting involved this is I'm sure due to the past financial support it has received.

This year we are holding a Best Scarecrow Competition after the suggestion was put forward.

In order to help maintain this standard, which we have at both the carnival and sports, can I ask you all to be as generous as you possibly can, also a small piece of your time down the sports field as they say, every little helps.

- Alan Mason

- Next year's Carnival and Sports Day will be on Saturday, 8th July, 2007.

Secretary's Report

It's that time of year again and I know that the Committee members have been working hard to make this year's Carnival and Sports as enjoyable and successful as last year.

The Carnival float theme this year is 'Book Titles'. As in previous years, please contact us if you would like to enter a float and we will assist where possible.

The Committee are conscious that there are areas of the village that for quite obvious reasons the Carnival procession cannot reach and in-view of this it has been decided to organise a village wide 'Scarecrow' competition this year when everyone can compete and become involved in the festivities of our very special village.

I would like to thank you all for your support, without you the Sports and Carnival would not continue. Have a great day.

Tony Hart.

Treasurer's Report

I am pleased to say that despite an increase in the number of activities last year's carnival and sports still managed to provide a profit. This was only possible thanks to the efforts of my fellow organisers and the generosity of the people of Doddington. Thank you to everybody who contributed and supported the event last year, because without the funds that we collect, it would be impossible to put on such an impressive and entertaining display. We would like to maintain the growth that the Doddington village carnival has experienced in the last few years, with more bands being included in the parade in the morning and appearing on the sports ground in the afternoon. We would like the carnival to be for the benefit of the village as a whole. As such, any suggestions for improvements would be gratefully received.

The village sports and carnival day is centred on providing a day to remember for the children of the village so please help financially in any way that you can whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

Judges

This year we welcome David and Geraldine Middlemass and Mark and Samantha Goude as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"Thank you for inviting us to be judges at last year's carnival. We had a fantastic day. Everyone was so friendly and helpful even though you were all either organising it or taking part. The fancy dress costumes were superb and in many cases had taken a great deal of thought and preparation. The line of floats seemed never ending and were as imaginative as ever. We left the village fourteen years ago and it took us back to the time when we helped to organise the school float. We really appreciated the hard work that went in to producing the floats.

As always, it was almost impossible to select winners but the job had to be done. To those of you who won, congratulations, and to the rest of you we're sorry, but we are sure you will be back next year so good luck!

After some liquid refreshment it was off to the Recreation Ground for the sports. This was especially interesting to us because when we left the village this facility was only in the planning stage. Once again it was brilliant to see so many people taking part. Our only worry was that when they all came to collect their bookmarks, we would be trampled in the rush.

I am sure the people of Doddington realise how lucky they are to have such a dedicated committee of workers, organising the carnival day each year. As we mentioned earlier, we left the village fourteen years ago and moved to a town. We do have a summer carnival but it is neither as inclusive or as enjoyable as yours. Our children still have many happy memories of taking part in Doddington carnival and still have medals from the sports safely tucked away in their rooms.

Hopefully we will be back in Doddington on future carnival days as interested spectators. Keep up the good work."

"I would like to thank the Doddington Gala Committee for inviting me to be one of their judges for the day. It was an excellent day, a lot of time and effort had been put into making some exceptionally nice floats. Doddington village should be very proud of the efforts made by their community. The response from the public was excellent, certainly a day to remember! I hope that the 2006 Gala will be as enjoyable and as successful as 2005."
