A Message from Doddington United Football Club

Once again the months have flown by and we find the annual Children's Sports are here again, and as usual we are hoping to meet with the same sort of success we have enjoyed in previous years when we have sponsored this event.

This year we shall have a new face among us in the person of the new school Headmaster Mr. Buck. He has already shown a great deal of interest in the sports, and we are grateful for his valuable assistance, as we have been in the past to his predecessor Mr. Payne.

As you will see from the programme of events this year we have 'gone metric' with the races. This changeover was inevitable, and as national school sporting events are now run on these lines, we felt it best to change now.

With regard to the prizes, several of our members made their annual 'pilgrimage' to London to purchase these, and while we endeavour to vary these as much as possible, we have tried to maintain the standard of prizes despite the ever rising costs.

Again we will have a new trophy to be competed for this year. This has kindly been donated by one of our club committee, Michael Gull, who of course has an engineering business in the village. The new cup will be used for the marathon, which as you may remember was run for prizes only last year, owing to the previous cup not being returned.

A full set of rules for the new cup appear elsewhere in this programme.

We would like to take the opportunity to thank those outside our club who contribute in any way to the sports, and assure them their help is much appreciated.

Finally we would like to appeal to parents and even those adults who do not have children competing, to come along and turn sports day into a real family day for the whole village.

David J. Richards (Hon. Sec. D.U.F.C.)

PROGRAMME

Competitors to race in age group which applies on actual day of sports.

Event No.	Girl Boy	Age Group	Event	Remarks
