Chairmans Report

As in previous years the first Saturday of double figures in July heralds the village Carnival and Sports Day. This year is no exception but the emphasis is on change.

Earlier in the year the Committee made an urgent plea for new members, the request was met with great enthusiasm and as a result of this the Committee has swelled in numbers. With the additional help now available, the Committee has decided 1995 will be the year of change.

Over the last few years the floats and spectators have dwindled away. With this in mind and appreciating that villagers have other commitments on a Saturday morning, the Carnival time has been put back to 11.30 a.m. Assembly is still at the Church but the Carnival route is altered making the procession time shorter and enabling the floats to end at Doddington Hospital.

The Sports afternoon will take place on Benwick Road Recreational Field. This change enables us to have more space for the afternoon events and it is hoped that other organisations will join us on the field to create a village affair for the afternoon, with the added benefit of parking spaces we hope this idea and atmosphere will be achieved.

The marathon will continue for both age groups, again with a revised route. In view of the disappointment shown at not having a Street Party last year to round off the day, this year the Committee intend to continue the days events until dusk with a Disco and Bar-B-Q on the field. All age groups are invited to attend. Please note there will be no Public Bar on the field.

This year commemorated 50 years after V.E. Day. After all expenses paid the organisers have kindly donated £100 to the Sports Committee. Mr. A. Clapham has also kindly donated some V.E. Day Commemorative coins for Sports Day. We would like to thank both parties concerned for their thoughtful gestures. Also I would like to take this opportunity to thank the Lionel Walden School Governors for their help and support in lending us the School premises in the past years.

Once again we hope for a fine and sunny day on July 15th and look forward to seeing you all on the day. Don't forget the Theme for this year is Music and Musicals.

David Curtis
