### GRAND DRAW PRIZE WINNER

Mrs. Miller, Knights Close, Doddington.

## Chairmans Report

Thank you for purchasing this programme. The donation you have just made will once again help to ensure that this annual event continues. The average cost running such a day is £2,000, and I would like to thank all the people who have advertised in this programme, purchased draw tickets or donated in any way. Without your support this event would be unable to continue.

As I am sure we all appreciate a lot of hard work goes into the constructing of the floats, with all age groups taking part. I would also like to say "well done" to all the people who loan and drive these floats, their time is given free of charge and the appearance and pride shown in these vehicles is a very great credit to both them and the village. Last year the committee requested that any water thrown was kept to a minimum. Whilst we appreciate that this is all part of the fun, once again it got out of hand and innocent people were involved. This year we have been advised that all water throwing must be stopped in view of the safety aspect, not only to those people on the floats but to the public in general.

Once again I hope that you all have a very enjoyable day on July 11th.

Dave Curtis (Chairman)

*A collection will be made during the Carnival procession by nominated members carrying yellow containers. The proceeds will go to nominated charity.*
