Chairman's Report

Welcome to the first Carnival and Sports Day of the new millennium. This year's theme is 'Panto comes to Doddington' which should give good variety and colour in the decorated floats. We welcome back the two marching bands which we had last year, but this year the Peterborough Highland Pipe Band will lead the parade and the Melton Mowbray Toy Soldiers will follow the last of the floats.

Last year, we were very lucky with the weather as it was almost certain it was going to pour down just as the procession was leaving but as things turned out Stripey Wipey must have cast some kind of magic spell because the sun came out and was quite hot. Hopefully, Stripey will be able to do the same again this year. Last year's judges must have had a headache trying to pick the winning floats, as most people will agree the standard is superb. It is quite something for a village the size of Doddington to be able to put on a carnival like last year's with sixteen floats as well as the Carnival Prince and Princess, two marching bands and majorettes.

Thank you very much to all the business and individual sponsors who contribute to the Carnival and Sports Day funds. The carnival and sports will only be as good as the financial support it receives. Last year's cost was in excess of £3500 so we can't rely on business or one or two fairy godmothers. If you want good marching bands and good trophies for your children in future years then do something about it.

Last Autumn Shaun Edwards (previously of the village) raised £157 by doing a parachute drop.

This year's fancy dress competition winners will receive for the first time trophies which they will keep for 12 months, the Primrose Cup kindly donated by Mr. and Mrs. M. Welsh and family for juniors and the Edwards Fancy Dress Senior Section (Mr. & Mrs. S. Edwards and family).

In the afternoon at the Benwick Road Recreation Field the Melton Mowbray Toy Soldiers will give a marching display starting at 1.30 p.m. Around 1.45 p.m. the recreation pavilion will be declared officially open by Tommy Robson and the band will play until the sports start at 2.00 p.m.

Finally, last year I learned as Chairman for the first time that trying to keep everyone happy can be quite difficult. Would competitors please note that the officials' decision will be final. If you cannot accept this, then please don't enter to save all round embarrassment.

- Alan Mason

- Next year's Carnival and Sports Day will be on Saturday, 7th July, 2001.
Any ideas or suggestions for a new theme for 2001's Carnival would be welcome.

Secretary's Report

As Secretary of the Village Sports I would like to take this opportunity to thank everybody involved in last year's Carnival and Sports, I hope you will agree it was a great day for all. This year's event is all set to be as enjoyable. The theme this year for the floats is The Pantomime, my sympathy lies with the judges who will have to pick winners of this, if last year's great entries are anything to go by. Again this year we are lucky to have two marching bands and also other attractions in the Carnival Procession, then as usual on to the recreation field for the Childrens Sports, where again there are also added attractions.

Once again thank you to all involved last year especially the committee members who put a lot of work and effort into making the day enjoyable not only for the children but also the adults.

Linda Sewell.

Treasurer's Report

This is my first year as Treasurer having been invited to take over the financial reins from Ed Purcell in February this year. I am now beginning to realise just how much work is involved and how efficient Ed was to make it look so easy. Many thanks to Ed for his tireless efforts over the years.

I am happy to report that last year we realised a surplus of income over expenditure of over a thousand pounds before we made donations to other village organisations. I feel that this reflects the growth in the size of Doddington Carnival and the increased support that we receive from the village. Thank you to everybody who contributed and supported the event last year because without the funds that we collect it would be impossible to put on such an impressive and entertaining display.

The Village Sports and Carnival day is centred on providing a day to remember for the children of the village so please help financially in any way that you can whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

Judges

This year we welcome Mr. and Mrs. David Fountain, and Councillor and Mrs. Alan Melton as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

Revd. and Mrs. Glenn Coggins (Doddington)....

"In our first summer in the village we were both delighted to be asked to judge the 1999 Carnival floats, fancy dress and village shops. Being new to the village we did not know what to expect so we were overwhelmed by the numbers involved in all areas. In the morning the floats gathered around the Church and the threat of rain soon gave way to beautiful sunshine as the floats began their parade around the village.

It was such a hard decision to choose a winner due to the hard work, care and inspiration that had gone into each float. Winners had to be chosen, but looking back, the real winners were all of us in the village who benefitted from the Carnival and Gala day. A great thanks to all those who took part and the Committee for arranging such a wonderful day in the life of Doddington village."

— Revd. Glenn Coggins

Mr. and Mrs. Reg Few (Benwick)....

"Lovely job! - easy some would say - not on your Nellie! Judging the floats and fancy dress entries at Doddington Carnival last summer was quite difficult. As the song goes "Everyone's a winner" but the trophies can go only to a few (no, we didn't get one). Joking apart, we had a great time along with Rev and Angela Coggins. It was good to see so many people get together to enjoy themselves as we certainly did. Congratulations to the Committee and good luck for this year."
