CHAIRMAN'S REPORT

In February I was elected Chairman of the Sports Committee. Our previous Chairman, Mr. Richard Wedgbury, resigned owing to his increased work-load. We were sorry to lose Richard, and would like to thank him for all the hard work he has done in previous years.

We have also gained some new recruits to the team and now we hope to combine past experience with new ideas.

The Carnival continues to grow and we once again hope to have the horse and dray and pipe band to lead us. The weather has been very kind to us the last two years and we hope this will continue. With it being nice warm sunny days, rather a lot of water has been generously thrown about. We appreciate that it has all become 'part of the fun', but due to the increased risk of accidents from the wet surfaces, may we please ask if this can be limited to small containers only. The Committee would hate someone to remember the Carnival by personal injury rather than as a happy memory.

The Sports will commence as usual at 1.45 p.m., and if any Mum's, Grandma's, Aunt's etc., have half-an-hour to spare in the afternoon, an extra pair of hands for relief on stalls would be very welcome.

Being my first year as Chairman, I hope the day runs as smoothly as in previous years, and I would like to take this opportunity to thank everyone who has helped the cause in any way. If you have any ideas or even criticism on how the day is run, please do not hesitate to let me know.
