Chairman's Report

Hello to you. On behalf of the committee welcome to the 2008 carnival and sports, which this year, will take place on Saturday 5th July.

The theme for anyone entering a decorated float is Adverts. If this years parade matches up to last years then I for one, will definitely be happy. Considering last year it rained, consistently for about 3 weeks, we were debating on the Thursday evening whether to cancel the sports, and just have a disappointing carnival parade. Miraculously strong winds on the Friday seemed to kick start everyone's enthusiasm, and excitement definitely spilled over to the Saturday as people lined the streets to see once again the brilliant floats that we are accustomed to, go by.

They were led by the Caledonian Pipe band and the Prince and Princess. We also had another marching band alongside majorettes, steel and samba bands, plus the Vivien fire engine, an American police car, Harley Davidson motorbikes and one or two vintage cars to say the least.

I've ranted on in the past about how your carnival can only be as good as the support it receives, hopefully you can now appreciate where your support goes.

This years leading band The Royal British Legion Band and Corps of Drums, Romford have finally agreed to come after about five years of trying to get them. I am certainly looking forward to seeing them play, especially their display at the Sports field from 1.30 p.m. They come with an expense of just over £1,200.00 which illustrates what I've just said.

We also welcome back the Caribbean Harmonicas Steel Band and the Harmony Majorettes. This year we welcome something slightly different - The Pig Dyke Mollys who will be noticed from a distance I'm sure. We also welcome again the Vivien fire engine crew, John Vindall with his American police car and the March Veteran & Vintage Cycle Club and not forgetting Roger Newark and friends with their vintage vehicles.

Once again the scarecrow competition will be held, this certainly proved a talking point in the village. Again, the standard of these are brilliant, lets hope there will be many more again.

Last year committee member Janice Turner put balloons up all around the parade route, what would be good is if everyone decorated their place up with either balloons, flags, bunting, etc. to help Doddington look really good and colourful.

Chairman's Report continued

At the AGM held in February four members of the committee left for various reasons - Sally Shortland, Chris Pym, Ralph Allen and John Palmer. I would like to thank them all for their contributions and will be pleased to see them again helping out on the day. We welcomed David Lea, who is no stranger to the carnival and sports as David has taken part in the parade itself, done the sports commentating and last year commentated on the parade.

Unfortunately at the time of writing these notes we are without a recognised secretary, how much straw goes on the camel's back remains to be seen.

Safety is paramount during the parade and I ask all to respect this. We are working closely with the police to make sure everyone enjoys themselves without problems, once again the village will be closed to traffic from 10.30 a.m. - 12.00 noon approximately.

Last year at the sports field we had an RAF Dakota flypast which certainly took everyones attention, as of to date we don't think we will be so lucky unless the Red Arrows fly over. none the less we are working on other projects for an interval break during the races.

As usual we are always looking for help in the afternoon. If you feel you can lend a hand please make yourself known. It's your carnival and sports day. It's up to you how big an event you want. If you have any ideas or suggestions please speak to a committee member.

Due to work commitments, we say goodbye and bon voyage to treasurer John O'Rourke. John became treasurer in 2000 and has rarely missed a meeting since. His laid back approach and wry sense of humour has made him a liked and respected member. I wish John, Mary and family all the best for their future.

Enjoy the Day.

- Alan Mason

Treasurer's Report

It seems incredible but the Doddington carnival gets bigger every year and I hope that this year will not be an exception.

This is my ninth year as treasurer of the Doddington Village Sports Committee and unfortunately as my work is taking me away from the village it will be my last. This is a great sadness for me because I have enjoyed my time on the carnival committee, working towards what is a notable village event. I feel privileged to have enjoyed the support of so many people not only on the carnival committee but also in the village as a whole. The carnival is truly a village event and it belongs to all the people of Doddington. Of course it can only happen because it is supported and financed by them. I would like to thank everybody who has helped and contributed over the years. I would also like to wish the Doddington carnival every success in the years to come and I hope that it continues to grow for the enjoyment of everyone in the village.

John O'Rourke.

Judges

This year we welcome Geoff and Iris Lilley and Peter and Rev. Val Fernandez as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"We were recently asked our views on last year's Doddington fête. Our thoughts are that it was an outstanding success from start to finish. The glorious weather played its part in highlighting all the hard work by the committee that was put into organising the event.

On a personal note we have always in the past considered ourselves as being all too aware of the amount of time and effort put into carnival float and fancy dress costumes. However, on this occasion things were put into a different perspective as we were judging the competitors. It was a privilege to be asked to act as judges, but we found the task incredibly difficult because of the high standards set by everyone involved. Regardless of any decisions on the day we would have to say that not only were all the competitors winners, but the village of Doddington was as well."

— Yvonne and Jim Carson

"We would like to thank you all for asking us to be judges at the recent Carnival. The floats were amazing. We thoroughly enjoyed the experience although it turned out to be one of the most difficult tasks we have ever undertaken as the standard was so high - to us they were all winners.

We feel really proud to be residents of a village which can stage such an event. We realise this is due to all the hard work of the organisers and supporters for which we thank you.

We wish you all the success in the future."
