Chairman's Report

Welcome to Doddington Carnival and Sports Day. If you have just moved into the village, hopefully you will enjoy the day. At the carnival in the morning we welcome the Derby Midshipmen, who will also be appearing at the childrens sports in the afternoon. We welcome back the Melton Mowbray Toy Soldiers. For the third year running, by popular demand, Octavius Steel Band and Majorettes from Newmarket. As I've stated in the past, the carnival will only be as good as the support it receives. Bearing this in mind, with the support we have received during the last few years we are able to add to our entertainment and welcome BBC Radio Cambridgeshire's Dennis of Grunty Fen and 'Jason' a stiltwalker and juggler. Both will also be entertaining at the sports field in the afternoon.

This year's theme for the decorated floats is 'Countries of the World'. The procession will be led by this year's Prince and Princess, Edward Elmore and Kirsty Peacock. Hopefully they will enjoy their regal moment.

Sadly, in June 2001, Karl Allen tragically died. Members of his family have a trust fund and last year the Committee decided to purchase replica junior marathon shields as the main shield which is dedicated to Karl remains on display at the recreation field pavilion. With this year's money, a flag, printed with the sports emblem has been purchased and will be flown during Carnival Week on the Parish Council flag pole at the clock tower area. The Committee would like to offer its thanks to the Council for their permission to do so.

Once again, refreshments will be served at the Church during the morning and everyone is welcome.

Arrangements for next year's events on 3rd July are now taking place. If you have any ideas to put forward, whether it is a theme for the floats, street entertainment you would like to see, or in general, ways of improving the day, please let us know. I can assure you your thoughts will be discussed at committee meetings.

At some point during the afternoon hopefully, we will have a Spitfire flypast, as we did last year.

A big thank-you to all our sponsors and benefactors and as I said earlier, your support will be shown on the day.

Finally I would like to thank EVERYONE who helps in any way. We are very lucky to be able to call upon a large collection of volunteers who, along with the Committee members try to make the Carnival and Sports a day to remember.

- Alan Mason

Secretary's Report

Yet again time has flown by and here we are at Carnival and Sports time. I know the Committee members have already been busy organising what should be a great day for all. There's Marching bands, Majorettes and hopefully with the theme for the floats being "Countries of the World", there's enough scope for plenty of entrants.

So I would like to take this opportunity to say thank-you to the Committee for all their hard work and to you all for turning up and making it worthwhile.

Linda Sewell.

Treasurer's Report

Last year not only were we able to produce a profit from the Village Carnival we were also able to donate money to some of the other village organisations. Thank you to everybody who contributed and supported the event last year, because without the funds that we collect, it would be impossible to put on such an impressive and entertaining display. We would like to continue to grow and improve the Doddington Village Carnival and to increase the number and quality of the bands that are included in the parade and appear on the Sports Ground in the afternoon. We would also like the carnival to be for the benefit and enjoyment of the village as a whole, especially the children. As such, any suggestions for improvements would be gratefully received.

The Village Sports and Carnival day is intended to provide a day to remember for the children of the village so please help financially in any way that you can whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

Judges

This year we welcome Trevor and Sharon Bester, and Michael and Eileen Boyden as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"It is easy to think that judging two fancy dress and two decorated float categories would be a walk in the park. Absolutely not!

I'm sure all previous judges, and those yet to have the privilege, will say the same. That it is one of the hardest decisions to make when faced with such an array of beautifully decorated floats and children dressed to impress. All that time and effort hanging on four peoples views. We were told we didn't have much time to make the decision, which is a good job otherwise we could still be there deliberating!

What a great day out. We both had a thoroughly enjoyable time, and by the looks of it, so did everyone else. A big thanks to the Committee for asking us along, and for organising such a successful day."

"It was both a privilege and a pleasure to be asked to be part of the Doddington Carnival and Sports Day 2002. We certainly didn't realise what a difficult task it would be judging the floats and the fancy dress entrants. The standards were exceptional and we felt everyone deserved a prize for their time and efforts!

Our warmest thanks to all the Committee for making us so welcome and for a truly enjoyable and memorable day!

With so much trouble in the world, it is so reassuring and rewarding to see such dedication, enthusiasm and community spirit. We sincerely hope that the Committee and the residents of Doddington continue to keep this lovely tradition alive. Our very best wishes to one and all for 2003!"
