Chairman's Report

Welcome to the 2005 Carnival & Sports Day. Looking at last year's chairman notes, I stated that it was going to take an exceptional carnival to better the one in 2003 but as has been the case, each year seems to just get better and better. I think there might be one or two main reasons behind this. First and foremost, and I make no exception to stress that it is your carnival. You decide how much you financially give, which decides how big the carnival can grow.

The second reason is the carnival committee, which have been together now for several years. Last year as stated Lyn Sewell our secretary resigned, which meant we would only have two ladies on the committee, but thanks to the AGM we have welcomed a new secretary and five more members.

I would like to personally welcome them to the committee and hope that they have enjoyed and will enjoy what we are trying to achieve, which is a morning for everyone to remember for a long time, and an afternoon dedicated for the children of all abilities to take part in the sports. To me it's not always the winner that wins the race. This year's theme is musicals which should produce plenty of variation amongst the floats.

This year our carnival Princess is Katie Morgan and her attendant Chloe Robinson. They will follow the Tally Ho band in the parade. Our other marching band is the Breaston Highlanders who have also attended our past carnivals.

The Havana Boys have been requested back to perform along with Farmer Giles, and recently formed March Militaires. Hopefully there will also be some furry friends.

Unfortunately last year due to strong winds, one or two floats were damaged before they were judged, one in particular, 'The Vicar of Dibley' (Village Hall), was damaged as soon as it was taken out of the shed. But the spirit and determination of the people on the float were rewarded by being placed first in the adult section. Unfortunately the wind was also too strong for the RAF Lancaster flypast in the afternoon.

Writing these notes over Easter it has not yet been clarified, but hopefully we will have the local parachute club drop in during the sports.

I can't remember seeing as many people lining the streets as last year which makes all the hard work that everyone involved contributed to worthwhile.

In the past I've tried to mention various helpers on the day. This year I would like to thank Ralph Allen, Steve Catling, Phillip Miller, Huw McGarvie, Peter Robinson, Sam Pearce, Joseph Boyden, John Palmer Jr. These people either help with the stewarding of the floats or street collecting and helping at the sports. Thanks lads. If I've left your name out apologies.

If you feel you have a valid point on how to help improve future carnivals, or have a theme or would like to enter a float then please ask one of the committee. I can assure you it's not that difficult.

- Alan Mason

Secretary's Report

This is my first report having taken up the secretary's reigns this year. It is clear to me from the enthusiasm demonstrated by the Committee coupled with your continuing support, this year's event as in previous years will be a resounding success.

The Carnival theme this year is 'The Musicals'. Please contact us if you would like to enter a float and we will gladly assist where possible.

Whilst the weather can have a significant bearing on the outcome of the Carnival and Sports, the ultimate success is dependent upon everyone's involvement on the streets applauding the floats and on the sports field cheering on the children.

Have a great day.

Tony Hart.

Treasurer's Report

In 2004 Doddington carnival was bigger than ever with three bands, majorettes, street entertainers and 13 floats. This increase was only possible due to the generosity of the people of Doddington. Thank you to everybody who contributed and supported the event last year, because without the funds that we collect it would be impossible to put on such an impressive and enjoyable display. Last year the carnival made a profit and we intend to use this money to increase the event further. As always any suggestions for improvement will be gratefully received.

The carnival and sports day is a real asset to the village and we would like to continue to provide Doddington village with carnival days to remember and treasure for many years to come but this requires your financial assistance. Please help in any way that you can, whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

Judges

This year we welcome Norris and Julie Barecroft and Rod and Marian Cook as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"We would just like to say thank you for asking us to be judges at the Doddington Carnival. We thoroughly enjoyed the day but had no idea how difficult our job was going to be.

Everyone had made a tremendous effort with the decoration of floats and fancy dress. Winners and runners-up were chosen but really everyone deserved a prize. It was wonderful to see the whole village coming together. The Committee is obviously very dedicated as an event like this does not just happen.

Once again thank you for a very enjoyable day. We wish you every success in the future."

— Alan & Helen Wright

"First of all may we congratulate both yourself and the committee on organising such a successful Carnival day. Obviously you were very disappointed that the Lancaster flyover could not take place but due to the windy conditions the aeroplane was grounded for safety reasons. Unfortunately this was out of your control.

The number and standard of 'floats' was extremely high and well supported by the villagers, which made judging very difficult. In fact they were all capable of being winners. The fancy dress entrants had also put in a great deal of effort, which again made it hard to pick the winners.

It was a shame that the windy day made the afternoon sports event more difficult, but on presentation of the cups and prizes at the end it was clear that everyone had put in a lot of effort to achieve their best. We think also that it was plain to see that all of the people who visited the carnival had a most enjoyable and great day - ourselves included.

Best regards."
