Doddington Village Sports & Carnival Committee Report

'Fun and Games' definitely started on the morning of Saturday 1st July 2017 with the fabulous Carnival Procession having the theme of Computer Games.

The sun was shining, the bunting was swaying in the summer breeze and the streets were bursting with excitement from the local residents. As the Carnival Prince and Princess, Ethan Harrison and Evie Shepherd, lead the procession of brightly decorated and eye-catching floats, along with the diverse range of bikes, vehicles, street entertainers and musical bands, the appreciation shown was tremendous! The onlooking crowds who lined the procession route were out in abundance and busily clapping, waving and cheering as the parade travelled past. The atmosphere was amazing and absolutely incredible to be a part of.

The remarkable atmosphere and glorious sunshine from the morning continued into the afternoon and the Recreation Field was bustling with all the various activities that were on offer, as well as the Children's Sports. Cheering could be heard from the proud spectating parents and families as the children participated in the races, whilst others embraced the bouncy castles, perused the various stalls and sampled the food outlets. From the young to the old, the entire day certainly was one to treasure and remember.

This year we are celebrating the 'Best of British' and are delighted to have our Carnival Prince Luke Buckle and Carnival Princess Imogen Rush lead the procession. All the old favourites are back again this year to entertain you and we are very excited to announce that this year we have the highest number of floats entered since the current committee started in 2015! Wouldn't it be fantastic though if we could reach or exceed the record of 18 floats which took part in the parade back in 2008?

The Sports Afternoon will once again be held at the Recreation Field on Benwick Road with the traditional Children's Sports, various stalls, entertainment and refreshments. Please be aware that the gates will open at 1:30pm and the Children's Sports commence at 2pm.

HAVE A GREAT SPORTS & CARNIVAL DAY!

Safety Notice

- Anyone entering or leaving the Recreation Field via the Pocket Park entrance should be aware of moving vehicles when crossing the car parking area
- ALL spectators are reminded to remain behind the rope barrier and keep off the running track
- Please ensure that all children are supervised by a responsible adult at all times

We thank you for your co-operation and we hope that you have a safe and enjoyable afternoon

Another year older... Another year wiser... AND... Another trophy on the Polo Shirt!

It's hard to believe that this year will be the 4th Carnival and Sports Day that the current committee has organised! It all started for us on Saturday 4th July 2015 and as the saying goes "We haven't looked back since"!

Every year we learn and grow as a committee, we discuss varying points after all the events as to whether 'should we or shouldn't we', we listen to your feedback and comments (good, bad or indifferent), and we also develop our own individual personal skills which (hopefully) make each event better for everyone to enjoy.

As many of you will appreciate, planning, money and volunteers are a major factor of the process to enable the committee to organise and host the varying events throughout the year and we are always in need of volunteers (oh, and money!). You do not have to become an official committee member, you can simply become a volunteer and donate 1 or 2 hours of your time at any one of the events you wish to help at.

If this is something that you would LIKE to be part of, would LOVE to be able to say "I helped make that happen" and want to be involved with organising some of the BEST events that Doddington has, please speak to a committee member as we'd love for you to be part of it.

The entire committee thoroughly enjoys not only the Carnival and Sports Day but all the other events too and it just shows what team work, care and consideration can do in a village such as ours. The committee are certainly proud of Doddington and all that the Doddington Village Sports and Carnival Committee achieve, but without YOUR help it really wouldn't be possible.

If you would like to keep up to date with future events follow us on:

On our website - www.doddingtoncarnival.co.uk - where you can also view our Blog which will give you an insight into the various activities that take place in the run up to events and see what being a committee member really is like!

However, if Social Media or the Internet isn't for you, keep an eye out for our latest report in the Doddington Diary to see what we've been up to and have planned for the future!

Doddington Village Sports & Carnival 2018 Prince

My name is Luke, I am 11 years old and I am currently in Year 6 at Lionel Walden Primary School.

My favourite subjects at school are Maths, Art and Geography. During lunchtimes I have taken part in the school chess club for the last 3 years. This year I was fortunate enough to win the school tournament. During these last 3 years I have been invited to enter the Megafinals held in Cambridge during the first May Bank Holiday weekend. These matches have always given me a big challenge but I have done my best and enjoyed the experience.

Although I live in Chatteris I still wanted to represent Doddington in this prestigious event. My family and I have been supportive of this event for a number of years; I have been on various floats during this time including the Cubs, Lionel Walden School and the Lionel Walden School Association.

My hobbies are football, and I play for March Rangers Football club for the Under 11's team and cricket, and I play for March Town Cricket Club for the Under 11's and Under 13's teams. I enjoy taking part in these sports and making good progress which motivates me to carry on to achieve my best.

I am very much looking forward to the Carnival Day and other various events that I will attend as Prince.

Doddington Village Sports & Carnival 2018 Princess

Imogen Rush is in Year 5 at Lionel Walden School, and has lived in Doddington most of her 10 years!

Imogen is part of First Doddington Guides and has previously been a Brownie, she recently stayed on camp for 3 nights.

Favourite subjects at school include Art and Science (which dad thinks is great).

Mum Clare has always lived in Doddington and herself went to Lionel Walden when she was little (she still is!)

Imogen has a brother Kieran (9) who is basically a combination of football, flossing and Fortnite at the moment.

Gymnastics are Imogens hobby, she attends March Gymnastics Club at Lionel Walden every Saturday.

Imogens favourite foods are mum's stew and strawberries, but not at the same time.

When asked what Imogen enjoys doing, she replied as every 10-year-old girl does - hair and make-up!

The carnival is important to the village, community and our family and Imogen is super proud to be Carnival Princess 2018.

Events throughout the Year

September 2017 - Family Disco & Presentation Evening

Doddington Village Hall was the place to be on Saturday 16th September!

The hall was overflowing with the Winners and Runners Up of the 2017 Carnival and Sports, along with party goers eager to dance the night away to DJ Stewart Greens 'Energy Disco'. Laughter, applause and cheering filled the hall as the Presentation of Trophies took place, whilst proud parents looked on at their children's achievements.

A full list of the 2017 Winners and Runners Up are within this programme

December 2017 - Santa Run

2016 saw the launch of SANT-NAV 5000, which enabled you to 'Track Santa' as he made his way through the village and proved to be a big hit, so we decided to add more technology to his sleigh! This year we introduced a web cam which

enabled you to not only 'Track Santa' around the village but also watch live footage of the big man himself visiting friends' houses and discovering if they had been naughty or nice!

Santa and his helpers had a brilliant time spreading the festive cheer around the village again this year and the weather even decided to join in the celebrations and made it even more magical by snowing.

The three nights were greatly

supported and Santa commented on how the village really embraced the spirit of Christmas each night and for that he would like to thank all that tracked him, watched him, came out to give him a wave, mince pie or had a photograph with him.

'Track Santa' again this year on our website www.doddingtoncarnival.co.uk

March 2018 - Doddington Disco

The renowned Doddington Disco was once again revived on Saturday 10th March but with a twist - Celebrating not only the 80's and 90's but also the 'Best of British'!

The Village Hall was a scene of the weird and wonderful, coloured clashing clothes, big hair, denim and several well-known iconic British characters. Once again, many reminisced about their younger years and boogied the night away to Stuart Greens 'Energy

Disco', including the 118 twins, The BFG, Lou and Andy from Little Britain and even Where's Wally!

May 2018 - Family Disco & Prince and Princess Selection

This year's Prince and Princess were chosen on Saturday 12th May, during the Family Disco, by the 2017 Princess Evie Shepherd and 2017 Prince Ethan Harrison.

There were eight entries for the Princess and five entries for the Prince and the Committee would like to thank all of the children for entering and wish them the best of luck for next year if they are eligible to re-apply.

Congratulations to Luke Buckle and Imogen Rush on becoming the 2018 Prince and Princess and a massive thank you to Evie and Ethan for their duties carried out over the past 12 months.

RUN **HIDE** **TELL**

IN THE RARE EVENT OF a firearms or weapons attack

Run - to a place of safety. This is a better option than to surrender or negotiate. If there's nowhere to go, then ...

HIDE - Remember to turn your phone to silent and turn off vibrate. Barricade yourself in if you can ...

TELL - the police by calling 999 when it is safe to do so.

Thank You

Doddington Village Sports and Carnival Committee would like to thank you all for attending today and hope that you have all enjoyed this year's Carnival Procession and Children's Sports.

When we say,
"It's your day, it's your carnival and it's your sports"
we truly mean every word, as without you,
the day really wouldn't be what it has become.

We would also like to thank you for your continued support and encouragement over the past year. It really is appreciated by each and every one on the committee and when we hear how much not only the children, but also the adults, have enjoyed themselves at any of our events, it really does make the planning and work involved worth it.

Finally, we would like to say a big
THANK YOU

to all of the people who have helped the committee not only today but throughout the year. There are so many of you and to be honest, if we were to start mentioning you all this programme could continue for several more pages!

You know who you are and we sincerely hope you realise just how grateful and pleased we are for your continued support and words of encouragement....

We really couldn't do any of this without you all!

We hope you all have a fabulous summer,
Doddington Village Sports & Carnival Committee 2018
