## Chairmans Report

Mr Chairman, Parish Councillors, Ladies and Gentlemen. The Village Sports as you know has been running for many years now. Over the years the format and locations have changed, but this year we faced our biggest challenge yet. At the A.G.M we were left with five members, and with so few people on the ground we felt we were unable to continue. After advertising our plight through the local press and a door to door leaflet drop, the response from the village was great.

The Committee now stands at fourteen members the enthusiasm at the meetings is tremendous and many new ideas are being put forward. Not all will be carried out this year, but many have provided food for thought. We now look forward to another successful sports day, and hope the village will continue to support us.

David Curtis  
Chairman

Sports open to all village children and children who attend  
The Lionel Walden School.
