Chairmans Report

The village sports has been taking place for many years now. I expect some of you remember taking part and winning cups, shields etc, and now take pride in watching your children doing the same.

The first Street Party was held in June 1977 to commemorate the Queen's Silver Jubilee. The Carnival came into being in July 1986.

The sports will once again take place on the school field courtesy of the School Governing Body and headmaster. This year there will be a charge for hiring the premises and this has kindly been borne by Delfland Nurseries to whom we are very grateful.

The theme for the carnival this year is "History through the Ages". So let the imagination run riot and see if you can excel on last years excellent floats.

As many of you may already know, there will not be a Street Party this year. It is with great regret that this decision was taken. Whilst the event made a great end to the day the outlay for the evening, including the cost of the disco etc. has now fallen entirely on to the sports committee. A commitment we find we cannot undertake due to both financial and man power shortages. Due to this, the committee will not be held responsible for any damage caused on that night, as none of the events taking place on that evening are being run or supported by us as the Village Sports Committee.

Once again I appeal to you to come forward if you are willing to help in any way. The committee is decreasing in numbers and help is urgently needed if we are to continue with this day.

Local business people support us greatly by placing adverts in the programme. Without these the revenue to run the day would not be there and it would be impossible to provide free medals to each child taking part. So if you use any of the adverts in the programme, please tell the firm concerned where you read it.

We look forward to another fun filled day on July 16th and with your support I am sure we can equal other years.

Dave Curtis.
