## Chairman's Report

Welcome to Doddington Carnival and Sports Day. In the Queen's Golden Jubilee year, it was quite a simple task to pick a theme this year being within the Queen's reign, so there should be a varied selection of decorated floats with 50 years of happenings and events to choose from. Let's hope we can have many floats in the carnival as there were on the Queen's Silver Jubilee 25 years ago, when there were approximately 20 floats. The carnival hasn't been held for a continuous 25 years, however there was a short break until the mid 1980's when it was decided to hold it annually with the Sports Day. Looking back at past records it goes to show how today's events have got stronger and stronger financially over the years thanks to the support we are receiving. According to a meeting held on 27th November, 1984, the bank balance stood at just £53.97. In 1985 and 1986, Jim Everitt took upon himself to walk from Doddington to Hunstanton and vice versa to raise just under £1,400.00 which obviously helped immensely to keep things going. Today's committee have the same ambition as Jim's, to try and improve the Carnival & Sports Day so everyone has a day to remember. With the support we received from last year, we are able to provide two marching bands of which we welcome the Breaston Highlanders, and welcome back the Octavius Steel Band, also a jazz quartet headed by Nigel Portass. In the parade we welcome back once again the Ferlanders majorettes from Soham. Making his debut, we welcome Smartie Artie, who will float around the area.

Last year was my third year as Chairman and I considered it to be the most pleasing to date in terms of how things turned out. We had had a settled spell of weather until about 9.30 on the Saturday when it started to drizzle with rain, by the time the 11 floats arrived it was raining. Despite this the spirit of everyone was high, we were entertained by Octavius Steel Band, the Peterborough Highland Pipe Band and the Tally Ho Marching Band, whilst the judging of the floats were carried out by John and Sue Askew and Alan and Allison Bromfield. The parade moved off round the village which was led by Carnival Prince Joseph Bradshaw and Princess Evelyn Wingfield, who both looked very regal. Also in the parade were the majorettes from Littleport. According to reports, there were more people watching the parade on the streets than had been seen for a long time. Hopefully this will continue, but the word needs to be passed on to people that have just moved into the village, because I feel there are still loads of people missing out, on the largest village gathering. Down the sports field in the afternoon, the Tally Ho Marching Band opened the proceedings. At 2.00 pm, everyone observed a minute's silence in memory of twelve year old Karl Allen who tragically died a few days beforehand.

The sports ran as smooth as ever, coordinated once again by Alan Curtis. This year, the Long Jump pit has been moved to the front of the pavilion as opposed to the back in order that people will be able to see the competitors.

The day concluded with the Grand Draw. Like I've said before the Carnival & Sports will only be as good as the support it receives. If you have any ideas about how you think an improvement could be made, please let us know.

Once again I would like to thank all our sponsors and benefactors, all the helpers on the day, but most of all the committee members.

- Alan Mason

- Next year's Carnival and Sports Day will be on Saturday, 5th July, 2003.

## Secretary's Report

As Secretary of the Village Sports I would like to take this opportunity to thank everybody involved in last year's event. I would also like to say a special thank you to the non-committee members who put in so much effort to ensure the day went as smoothly as ever.

Yet again, along with the rest of the Committee, I was very pleased with the number of floats entered in the Carnival and it never ceases to amaze me at the amount of effort that is put into them. We hope that in this Jubilee year the trend continues.

The effort put into this year's carnival is still as intense as ever, so the continued support of all village members will be much appreciated on the day, even if it's just turning up to see the carnival procession or cheering the children taking part in the races.

Look forward to seeing you all there on the day.

Linda Sewell.

## Treasurer's Report

Last year we again managed to produce a profit from the Village Carnival and we were able to donate money to some of the other village organisations. Thank you to everybody who contributed and supported the event last year, because without the funds that we collect, it would be impossible to put on such an impressive and entertaining display. We would like to maintain the growth that the Doddington Village Carnival has experienced in the last few years, with more bands being included in the parade and appearing on the Sports Ground in the afternoon. We would also like the carnival to be for the benefit and enjoyment of the village as a whole, especially the children. As such, any suggestions for improvements would be gratefully received.

The Village Sports and Carnival day is intended to provide a day to remember for the children of the village so please help financially in any way that you can whether it's buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

John O'Rourke.

## Judges

This year we welcome Frank and Jan Bradshaw, and John and Caroline Wright as our Carnival Judges.

### COMMENT FROM LAST YEAR'S JUDGES

Mr. and Mrs. Bromfield....

"Saturday, 7th July, 2001. What a great day we had!! Being a part of Doddington's Carnival in the past, we didn't realise how difficult a job the judges have choosing the winners.

The fancy dress entrants and all the floats were excellent, we even went into the Church for some divine inspiration. Congratulations to everyone who took part, credit is definitely due.

Thanks also to Chris and the Committee for making us all welcome. We can definitely say 'we're gone but not forgotten'.

Thanks Doddington, may the Carnival continue to be a great success."

— Alan and Alison

Mr. and Mrs. Askew....

"John and I were delighted to be part of 2001 Doddington Carnival. We had a splendid time, especially the welcome we received from all the villagers and the hard working committee members.

What a responsibility! Together with Alan and Alison Bromfield we had to choose a winner and runner-up in both classes of the decorated floats. All the entries were winners in their own right. Everyone had worked very hard and deserved recognition. Therefore, to pick one over the others was hard going.

We would like to congratulate the committee and the village on their strong community spirit. We were particularly impressed by the enthusiasm of the young people.

Our very best wishes for next year and continued success in the future."
