Chairman's Report

This years Carnival and Sports Day will take place on Saturday, 4th July, 2009. The theme this year is 'Cartoons'. As usual, anyone can enter a float, you don't have to belong to an organisation to enter. If you are interested we can arrange different size trailers for your needs, just ask for details. Last year 18 floats entered, which was a record number in my time as Chairman.

The parade last year was led by Prince Callum Henderson and Princess Bethany Turner, followed by the brilliant Royal British Legion Band Corps and Drums, amongst the floats we had Majorettes and various other bands and attractions, which made last years parade possibly one of the biggest we have seen for many a year, what with street decoration and scarecrows popping out from various places how could outside visitors not be impressed of what Doddington can provide.

What impressed me the most was the fantastic support, lining the streets, considering it was pouring with rain - waiting to see the marvellous floats go by one more time. How on earth Val and Peter Fernandez and Jeff and Iris Lilley the judges chose a winner remains a mystery.

The afternoon started with a display by the British Legion Band, followed by the usual sports programme. A profit of £300 was made considering the total expense of the day totalled nearly £5,500 just goes to show what support Doddington can offer.

This years carnival will be led by the return of the Derby Midshipmen, who will also play down the sports field, followed by Prince Sam Robinson and Princess Demi-Lee Denbraber. Congratulations to them and hopefully they will enjoy their royal position for the day. Also returning after a six year absence is Octavious Steel Band, plus a Samba Band whom we welcome. At the time of writing these notes, we're hoping to add other attractions to the parade. At the sports in the afternoon an RAF Spitfire hopefully will do a flypast.

The Committee would like to thank Colin Browne, who took it upon himself to raise money for the carnival by organising a Christmas Singalong on Sunday, 21st December at the gardens of The Three Tuns. The idea being everyone was welcomed to join in a singalong with a local singer and sing a variety of christmassy songs - this event raised over £170.

continued...

Chairman's Report continued

Each year I try to mention a few thank-yous in the programme. This year thanks particularly go to Chris Pym and Mondi Packaging for giving cardboard for floats etc., to Renta Centre Plant and Tool Hire from March for lending us a generator, and a special thank-you to Alan Curtis who has done such a brilliant job of commentating and cajoling entrants into the races, decided to call it a day last year (thanks Alan). His job this year will be taken over by John Cutteridge.

At the end of last year we said goodbye to fellow Committee members Wendy Allen, Janice Turner, Brian and Carole Dixon, and long serving Brian Elmore. We welcomed Michaela Kelly and husband and wife Tony and Vicky McDougall at the February AGM, where it was reported that most of the long line serving Committee myself included, will resign after this event for various reasons. I would like to appeal for potential Committee members to get in touch with me as soon as possible, in order to start organising for 2010 ahead of the AGM 2nd February, 2010 at The Three Tuns, 8.00 p.m. Advice will be given. All that is required is enthusiasm and a small piece of your time.

It is imperative to note if no one comes forward to form a Committee, there will be no future carnivals and sports day (it's as simple as that). So please think carefully, where do you want to be on Saturday, 3rd July, 2010 - on an empty street in Doddington or participating in one of the best parades in the area, also bringing lots of happiness to the children at the sports. My passionate plea is THE CHOICE IS YOURS.

Finally as this is my 11th and final carnival/sports as Chairman I would personally like to thank everyone over the years that have helped out. I'm sure you can appreciate there are too many to mention, but I do not hesitate in mentioning the following: Brian and Jenny at The Three Tuns; Jeff and Natalie at The George; Kev Catling; all owners and drivers of vehicles for the floats; Lyn Sewell my past Secretary; and my fellow past and present Committee members.

- Alan Mason

HOPEFULLY - Next year's Carnival and Sports Day will be
Saturday, 3rd July, 2010.

Treasurer's Report

I am pleased to report that the Carnival again made a profit last year. Many thanks to John O'Rourke for all his hard work over the last nine years and I hope that this year will be just as successful.

Thank you to everyone who contributed to the event last year, without the money collected it would be impossible to put on such an impressive display!

The Carnival and Village Sports is about providing a day to remember for the people of Doddington, especially the children. The hard work put into the many floats is very much appreciated, it all helps to raise money for the Carnival.

Please continue to support us in any way you can, by buying a draw ticket or programme, contributing to the street collection or supporting the stalls at the recreation field.

Michael Dale.

Judges

This year we welcome Brian and Carole Dixon and John and Mary O'Rourke as our Carnival Judges.

COMMENT FROM LAST YEAR'S JUDGES

"We must say what a great pleasure and honour it was to help judge the carnival floats. It was an experience we thoroughly enjoyed. Seeing how much hard work goes into each float and the enjoyment everybody seemed to get from it. Also the look of sheer joy and excitement when we awarded the medals and cups to the children at the sports events later that day.

Last but by no means least, a heartfelt thanks to all the Committee who made the whole day a great success once again."

— Geoff and Iris Lilley

"Thank you so much for inviting Peter and myself to help judge the floats and fancy dress at Doddington Carnival. We both felt privileged in being asked to be involved with this awesome task. The standards were so high and it was obvious that a lot of thought and hard work had gone into the preparation of each float. This made the task even more difficult because so many people had to be disappointed at not being chosen. It is quite difficult for a small float to be judged fairly against a flat bed lorry so I was wondering if there should be categories for size as well as age groups - or does that make things too complicated?

As this was our first experience of Doddington Carnival I would like to add how impressed we were with everything, except perhaps the weather; it was very apparent that a lot of hard work and commitment goes on over a long period of time to enable something so professional to take place - so a well done and thank you to the organising committee.

We wish you God's blessing on the 2009 carnival plans."
