This year's Village Sports Day will be the seventh run by the present committee. Before 1981 the event was run by the Football Club who ran it from 1966 to 1980. As a 'new boy' in the village I don't know much about what happened before that except to say that Cecil Smith who is 80 years old remembers a village sports day in 1920. We would be interested to hear from any older members of the community who can fill in the gaps for us.

Each year the day itself is a great success (even when the weather is feeling awkward) and the many families that come along have a thoroughly enjoyable time. There are winners and losers, but in the end it is Doddington that is the winner for keeping the tradition going.

I would like to thank all those who have been a part of the organisation of this day over the years and particularly the present committee. Special thanks to three people in particular; the first is Elaine Thornton (Secretary and Treasurer) without whose energy and enthusiasm the village sports would surely have died. Also to John Bays (my Vice-Chairman) who does so much un-noticed work to help us get ready for the big day, and lastly to our guest prize presenter Bill Neil. Bill was the Chairman from 1985 to 1986 and retired due to ill health. His love of the children and his ever present smile earn him my award of Mr. Village Sports.

I thank you all for coming today and hope that you all have an enjoyable time.

P.S. Don't forget to come along to the Street Party tonight. After all, Doddington's Village Sports Day Street Party is the only annual Street Party in this part of England.

R. WEDGEBURY (Chairman)
