CHAIRMAN'S REPORT

Sport's Day is here again. It sounds corny to say it but, it really doesn't seem a year since we last joined together here at the School playing field to watch our youngsters run and jump, win and lose. This must be the biggest gathering of Doddington folk of the year. Hopefully as last year the weather is kind.

The Carnival and Procession gets bigger each year and the Street Party is now so big it is beginning to burst at the seams. We now appear to attract people from many other villages to Doddington on the night of our village Street Party.

Last year we had a raffle for a Mediterranean holiday and at the draw at the Street Party I drew out the winning ticket to find that the lucky winner came from Chatteris. This year I am hoping that the winner is from the village and that when I announce the name that person will be there to come forward to collect the prize personally.

This year we have been lucky enough to have a few more members of our Organising Committee, and this has mean't that the load has been spread more evenly. Nevertheless, it has still taken an enormous amount of behind the scenes work to get to today. I take this opportunity to thank all members of the Committee and this year a special Thank-you to David Curtis (my Vice-Chairman) for taking on much of my work.

The Sports Committee would like to thank all our friends who have advertised in this programme and for the prizes they have donated to our Summer draw. We would like to thank Carol & Geoff Binge, Brian Burrell, Jane & Andrew Morton, Pete & Thelma Thorington who have also donated prizes.

Have a great day and a fabulous night.

RICHARD WEDGBURY (Chairman)

The Sports Committee would like to thank Paul Harlock for the loan of his public address system.

Please do not touch the signs and lights used for street closure as we must pay the cost of any damage or losses.
