## CHAIRMAN'S REPORT

Last year our Village Sports Day was blessed with a hot and dry day. The Carnival procession was the biggest and best to date with more entries than previous years. The procession through the village which now takes in a visit to the Hospital was an event full of laughter and water. The hot weather meant that the bystanders were happy to join in the running water fights that broke out. It was one way of staying cool on such a warm day.

We had lots of new helpers on the School playing field for the Sports themselves and everything ran smoothly. Again it was very warm, but this did not stop our kids from running their hearts out.

Finally we went off to the Village Street Party and the carnival atmosphere continued. The now traditional draw for a monster prize took place and we again missed getting a resident from Doddington to win the main prize. Hopefully this year someone from our village will be lucky. This year's prize is for a Shopping Voucher for Four Hundred Pounds with a runner-up prize of a One Hundred Pound Voucher. This will be drawn at the Sports Field immediately after the races have finished.

I have decided that 1990 will be my last year as Chairman (I've done the job for 5 years now), so I hope you will all continue to support the event which goes from strength to strength. Special thanks to all my committee for their hard work and support over the years and the many people that help on the day.

One final prayer is for the weather to be as kind this year as it was last.

**RICHARD WEDGEBURY** (Chairman)

*The Sports Committee would like to thank Paul Harlock for the loan of his public address system and a special thanks to Mr. A. Clapham for the generous loan of his lorries for the Carnival.*
